Lunchtime Solutions will, once again, be providing the food service program in the Zumbrota Mazeppa School District. The purpose of this communication is to provide you with some idea of what to expect from our food service program. If you have any questions or comments about our program, please feel free to contact Brian Wright at 507-732-1417. For your convenience, our menus are posted monthly on the School District website. Lunch and breakfast prices are listed below, along with extra entrée prices and extra milk prices.

School Breakfast

Breakfast is served in the dining areas before school starts. Please encourage your student to participate in school breakfast. Research studies show that eating breakfast can help students perform better in the classroom. All Kindergarten students receive free breakfast through a state sponsored program

School Lunch

School lunch offers a wide variety of choices for students. There are three entrée choices daily for the younger students and five or more entrée choices daily for our older students. All meals include an entrée choice and a hot vegetable, plus the unlimited Fruit & Veggie Bar, and milk choices.

Milk/Snack Break

Grade K through 6 students have the opportunity to sign up for an afternoon snack/milk break. The cost of the snack break is \$50 for the year. The cost of milk break is \$40 per year for ALL students.

Kindergarten students receive free milk through a state program.

MY LUNCHTIME MY CHOICES!

Extra Entrée – Extra Milk

All students, at an extra cost, can purchase an additional entrée or milk offered as part of the school lunch program. For example, if a student wants a second entrée, or an additional entrée, like a slice of pizza, then that entrée can be selected in the lunch line and charged to the student's account. Extra entrees are only sold to students who first purchase a school lunch. Again, all students can have extra servings of canned fruit, fresh fruit, vegetables, salads, at no charge. All extra servings of these items are free. If a student is free or reduced, they may receive one entrée with their meal but they must have money in their account to purchase any extra entrees.

School Lunch Account

Enclosed is the District's Lunch Account Policy for the 2017-2018 school year. The District allows students to charge their lunch meals, extras meals and a la carte. When an account balance is low, students receive a minimum of three reminders to bring lunch money. Emails will also be sent to the parent/guardian. When an account reaches \$0.00, all purchases will be restricted to meals only and the parent/guardian will receive a letter mailed to the home, along with a phone call. If the student is a free student, they still will be able to purchase a school lunch, but no extra entrées will be allowed. If there is no response to request for payment, the school reserves the right to proceed to collection action.

A Point of Sale (POS) software system is used for the school lunch program. Please note the following important information:

- Each student will have his/her own individual Student Account.
- If sending cash with a student, place in a sealed envelope, along with the student's name and lunch account number.
- We are not responsible for lost, unidentified, or stolen cash.
- Deposits should be turned in by 9:00 a.m. at the student's school.

Lunch Account Deposits are to be made before school starts. Because we receive an overwhelming amount of deposits the morning of the first day of school, we cannot guarantee that we will be able to input all deposits into accounts before the lunch period begins. To insure that your deposit is credited to your student's lunch account on the first day of school, please send your first deposit, for each student in your family, to the address below:

**ZM Schools—Attention Food Service Office
705 Mill Street
Zumbrota, MN 55992**

Be sure to include your name, your student's name, and your student's lunch account number. Also include any changes in your address or telephone number.

Outside Food and Beverage

The District does not allow the delivery of food or beverages from outside vendors or fast food establishments for a student's breakfast or lunch meal. All meals are to be provided by the District's School Food Service or a prepared meal from home may be sent with your student. No soda pop is allowed during the breakfast and lunch serving times.

Diet Modifications

Families are responsible for notifying the School Food Service if their child requires a diet modification because of a life threatening disability. A licensed physician must provide specific written medical documentation. Please contact Brian or Amy at the School Food Service office for more information.
