

PARENTAL INPUT FORM

Zumbrota-Mazeppa School
Grades K-6

Please read carefully as this process has changed. Parents wishing to give input for their child's placement in a classroom for the 2017-18 school year may do so in written form until **Monday, April 17, 2017**. Direct requests for a specific teacher will not be accepted. This is due to the fact that some teachers will change grade levels or positions due to a variety of reasons. However, if there is a teacher you feel would not be a good match for your child, that information is welcome. The most useful information a parent can provide is regarding their child's learning style or students they should not be placed with. As an entire staff, we spend a great deal of time at the end of each school year working on class lists that will help students be successful.

Email is the preferred form of communication, so Mr. Rasmussen can send a verification reply. All parental documents should be emailed directly to quinnr@zmsch.k12.mn.us or sent in written form and will **not be accepted after the April 17th date**.

The building principal reserves the right to make final decisions about the placement of a student.
