

## Library Power Standards

### 3<sup>rd</sup> grade

1. I can read, watch and listen for information that is shared in the library.
2. I understand and can use the Dewey Decimal system to find non-fiction books.
3. I understand and can use alphabetical order to locate fiction books.
4. I can use the parts of a book (glossary, table of contents, index) to find information.
5. I can keep track of what I learn in different ways.
6. I can think about what I read and connect it to other things that I know.
7. I can work by myself and with classmates to share what I am learning.
8. I know the difference between authors and illustrators.
9. I know about the Maud Hart Lovelace Award and how to find those books in the library.
