

Agriscience Power Standards

On-the-Job Training (Vo-Ag Placement)

1. Students will have a training agreement signed by the student, employer, parent, and work coordinator. This will be completed at the beginning of the semester.
2. Students will complete an individual training plan at the beginning of the semester.
3. Students will document hours worked and duties performed each week.
4. Students will be passing all classes if leaving during the school day.
5. Students will manage their time while attending school, job responsibilities, and extracurricular activities.
6. Students will gain experience in a chosen career field as well as building on their resume.
7. Students will apply skills and knowledge gained in ag occupations to a real-life work experience.
