### HABITAT FOR HUMANITY TRIP

The week of May 7-13 was a challenging, confidence-building experience for students that are part of the SEA program (Student Educational Adventures). This group traveled to Florida to help build and restore Habitat for Humanity Homes in Fort Myers, Cape Coral, and Lehigh Acres. In this course, SEA participants learned the importance of giving back to society by experiencing the appreciation of Habitat recipients. This year's group left May 7 for Fort Myers, Florida. The group included eleven students (1 CF, 1 KW, 3 RW, 5 ZM, and 1 RBEC); social workers, Carrie Groth (KW), Katie Kennedy (ZM), Lori Nicolai (RW); and special education teacher, Bill Redman (RW). Highlights from this year's

trip included seeing the ocean, being on an airplane, being away from home, kayaking, sharing a room/house with 14 other people, assisting with restoration of a Habitat Home in Cape Coral, shark fishing and then eating grilled shark, and helping to scrape the floors and paint two Habitat Homes in Fort Myers and Lehigh Acres. Students increased their communication, leadership, and social skills as they worked on the homes. There was even time to see the sights of the area.

### GRADE 4 ELLIS ISLAND SIMULATION

Grade 4 students participated in an Ellis Island simulation where they immigrated to the United States—some had the correct papers, connections, and money, and some didn't!

They learned about the trials of our immigrant relatives and certainly understand better the efforts of our ancestors as they tried to immigrate to the US and start a new life.

### 2016-17 SCHOOL YEAR IS NEARLY HISTORY!!

**Last Day Dismissal:** Students will be dismissed from Mazeppa at 1:25 and from Zumbrota at 1:40 on Thursday, June 1. A sack lunch will be served on the last day.

**Lost and Found:** Please take a few minutes to check the lost and found boxes at your child's school. Many items have been "lost" only to be "found" when parents looked! Anything left will be donated to charity when school ends.

**Food Account Balances:** Meal account balances need to be paid in full by the year's end. Students must have money in their account in order to purchase a meal and they must have money in their account before purchasing ala carte items. If you are unsure of your child's balance, please call or email Brian Wright, Lunchtime Solutions food manager, at 732-7395, ext. 1102 or brianw@lunchtimesolutions.com. Any money left in your child's account will be forwarded to next year's account.

**Senior accounts will be closed on Friday, May 26.** Any senior owing money for lunch will need to have it paid by that day. Seniors that have money in their account will be refunded on that day after commencement practice. If there is a sibling in a lower grade, the money will be transferred into that account unless parents contact Brian Wright.

For the 2017-18 school year, please note that **APPLICATIONS FOR FREE AND REDUCED BENEFITS WILL BE MAILED TO EACH HOUSEHOLD IN THE DISTRICT IN AUGUST.**

**APPLICATIONS DO NOT CARRY OVER YEAR TO YEAR. HOUSEHOLDS WISHING TO APPLY MUST FILL OUT A NEW APPLICATION EACH SCHOOL YEAR.**

**PARENTS ARE ENCOURAGED TO FILL OUT THE APPLICATION WHEN IT ARRIVES IN AUGUST AND RETURN IT TO THE DISTRICT OFFICE IN MAZEPPA ASAP FOR PROCESSING. THIS WILL ENSURE THAT IF YOUR HOUSEHOLD QUALIFIES FOR BENEFITS, THEY WILL BE IN PLACE PRIOR TO SCHOOL BEGINNING.**

**WALK TO SCHOOL DAY** was a great success May 10. Students, along with staff and parents, were encouraged to walk or ride their bike to school, as the benefits of exercise was celebrated nationwide. ZM has participated two times this school year in this national event, each time proving that students and staff are ready to learn and work after an invigorating walk or bike ride to school!

### Measles Outbreak in Minnesota:

We have sent letters to all students who are not fully immunized against measles. There is a lot of information circulating and we encourage you to access the Minnesota Department of Health Measles page, which has current and reliable information for parents regarding measles. <http://www.health.state.mn.us/divs/idepc/diseases/measles/>

### Medications:

Any medication in the health offices must be picked up by an adult by the last day of school, Thursday, June 1<sup>st</sup>. **Medication will not be sent home with students.** If medications have not been picked up by the last day of school they will be disposed of. We will not store medication over the summer. We appreciate your help with this. Please call the nurse with any questions.

### Immunizations for upcoming 7<sup>th</sup> graders and Kindergarten students:

Please provide documentation to the school office this summer. Students will NOT be able to start school in the fall unless immunization are up to date and on record with the school by the first day of school.

### Have an enjoyable summer!

Please feel free to contact Tiffany Boraas, LSN at any of the health offices with any questions or concerns.

### MAKING THE MOST OF THE LAST MONTH!

Designing lung models in Science 7

Enjoying the outdoor classroom at ZMES

Gr 6 students used the STEAM room to research electronic devices and their ecological impact on the environment.

Making Baked Alaska in Advanced Culinary class

Making longest chain in Gr 2

Young Artists/Young Writers Conference

Chem students made rock candy with their supersaturated solution

## COMMUNITIES CLEAN UP DAY

ZM middle and high school students participated in a clean up day in the communities of Zumbrota and Mazeppa. Students mulched, raked, shoveled, picked up, and hauled away winter's "trash". The cemeteries in both communities were spruced up, just in time for Memorial Day celebrations. A group of students painted at the elementary—there are some new Cougar logos on the freshly painted walls and the high school choir performed their spring concert for the Zumbrota Health Facilities residents. Another group of students washed windows and took down lights from the gazebo. The Mazeppa Food Shelf was stocked and the highways look a little better through the FFA's clean up efforts.

Through the efforts of ZM's staff and students, our communities look a little brighter! Thanks to all who assisted!

## School Board Meeting Minutes

The regular monthly school board meeting was held on May 22 in the ZMES Media Center in Mazeppa. The usual business was conducted, including payment of bills.

Recognition was given to the Zumbrota VFW in response to the three oximeters they donated to the school. A list of the ways they have been used since arriving on May 4 was extensive.

Brett Boelter from the Kalass Agency was in attendance to review the 2017-18 school property and casualty insurance. EMC Insurance was the only company that submitted a bid. He recommended adding a cybercrime option to the policy.

Katie Kennedy, school social worker, was in attendance to report on the SEA program (Student Educational Adventures). A group of five ZM students recently returned from Florida where they worked on Habitat for Humanity Homes.

Lunchtime Solutions Food Service Director, Brian Wright, gave the board a year-end report. As of this meeting date, the food service program is \$23,000 over the guaranteed price for the year. Lunchtime Solutions is looking at setting up a flavor station next year, along with other improvements. They are recommending a \$0.10 increase for lunch and breakfast and a \$0.05 increase for a milk.

Mr. Anderson reported for the middle/high school, noting the 2017-18 master schedule for grades 7-12 is complete. Senior Scholarship Awards Day was held May 17; this year students in grades 9-12 were in attendance. This change in program time has met with mostly favorable comments. It has been a busy month with concerts, the Art Show, and the 8<sup>th</sup> grade geography fair. Two ZM students, part of a GCED team, advanced to the state bowling tournament.

Mr. Rasmussen reported for the primary/elementary school. MCA testing has been completed for the year. The Title 1 program was audited in April and the last data day was held to identify students for summer programming, etc. Orientation for grade 6 was May 19 and grade 2 will be May 26.

Mr. Anger reported that the May enrollment was 1,167. The treasurer's report to the board was available for discussion. Graduation is June 3 and board members should report to the high school by 6:45 p.m.

During patron input, Chair Hinchley read a letter from Roxanne Webster in support of maintaining current copy center hours. Susan Scheffler, copy room employee, requested that her hours remain the same as she cannot get the copying done with less hours. Mr. Anger explained he is recommending budget adjustments and paper/copying is one area targeted. Mrs. Scheffler will be offered other hours to fill in for the reduced copying time.

Old Business: At the May 8 work session, the board agreed to employ a realtor to sell the 2016-17 vocational construction house. Corey Mercer of Re/Max was approved to take over the sale.

Mr. Schumacher reported to the board on the Q Comp program. He said that 83% of the teachers felt they received some value from the peer review process this year. The current Q Comp program will continue through April 2018.

The board set the gymnastic fee at \$205 for grades 9-12 and at \$180 for grades 7-8.

The Wellness Policy was approved as presented. This new policy

reflects the USDA Final Rule.

New Business:

The following new hires for 2017-18 were approved:

- Anthony Bromeling, Head Girls Basketball Coach
- Dawn Guse, Assistant Girls Basketball Coach
- Lisa Nelson, 8<sup>th</sup> Grade Girls Basketball Coach
- Chaise Neumann, 9<sup>th</sup> Grade Girls Basketball Coach

After discussion on the reduction of hours for Susan Scheffler, for copying purposes, it was recommended to follow the administration's guide and reduce the hours for budgetary reasons. She will be offered other duties to balance out the reduction. If the administration finds out this arrangement does not work after school is in session next fall, the hours could be added back.

The 15 days of summer marching band will be split this year between Scott Cory and Rachel Miller.

Mr. Anger presented the 2017-18 capital budget for the board's review. He recommended adding the technology coordinator's salary to this budget since the MDE allows it.

The board approved EMC's property and casualty insurance bid with the cyber coverage as presented for the 2017-18 school year. The premium will be \$85,409.99 per year. The board also approved Sun Life for Life, Voluntary Life and Long-term Disability Benefit and Premium Summaries, effective July 1, 2017. ZM will have a two-year rate guarantee until July 1, 2019 and the plans remain unchanged for the upcoming school year. Dental insurance through Health Partners was approved for the 2017-18 school year. The 2017-18 health insurance through the Southeast Service Cooperative was approved.

The audit firm of CliftonLarsonAllen was approved to conduct this year's school audit and a resolution to renew the MSHSL for 2017-18 was approved. The Title I program for 2017-18 was approved and the Literacy Plan was approved as presented. The board approved the 2017-18 Health & Safety Management Assistance Service Agreement and the Basic Service Agreement with Southeast Service Cooperative.

Minutes were available from the Wasioja Education Technology Cooperative, the Goodhue County Education District, and the Southeast Service Cooperative.
