

7 & 8 Power Standards

During their enrollment in 7th or 8th Grade Art:

I can revise my artwork based on self-reflection, artistic intent, and feedback of peers and teachers.

I can use the elements of visual art: color, line, shape, value, form, texture, and space to create works of art.

I can create original two- and-three-dimensional artwork in a variety of artistic ways.

I can understand works of art using established criteria like the elements and principles of art.

I can use tools, materials, and techniques to create various two-and-three-dimensional art works and use tools to create intentional effects in original artworks.

I can make connections between artworks, their purposes, and their personal, social, cultural, and historical importance.
